

SIRES OF 2014 CANADIAN SALE YEARLINGS

The following is a list of every sire that had a yearling sell at a major Canadian sale in 2014. Listed after each sire is his year of birth and sire. Next is the total number of his yearlings sold, followed by the gross purchase amount and the average price per yearling sold. The yearling's name (where available), sex, dam's name, sale where sold, hip number, purchase amount and buyer are also listed. Yearlings are listed alphabetically by broodmare name. The following abbreviations apply: ABYS – CTHS (Alberta Division) Summer Yearling Sale; BCY – CTHS (British Columbia Division) Yearling Sale; MYS – CTHS (Manitoba Division) Yearling Sale; ONSYS – CTHS (Ontario Division) Selected Yearling Sale. In the event that a yearling was sold at two different sales in 2014, that yearling would be counted and worked into the average twice. This report was compiled by the CTHS (National Office).
